RISING STRONG™ WEEKEND WORKSHOP

Based on the research of Dr. Brené Brown

Rising Strong™ is based on the simple physics of vulnerability:

*If we are brave enough, often enough, we will fall.*

Rising Strong™ teaches us that it is through owning our stories of struggle that we find the resilience, strength and courage to rise strong and create a new and daring ending.

Struggle can be our greatest call to courage and the cleanest path to a wholehearted life.
